O M

The image features two large, bold, black letters, 'O' and 'M', rendered in a thick, rounded, sans-serif font. Each letter is accompanied by a soft, grey shadow that is offset to the right and slightly downwards, creating a three-dimensional effect. The letters are positioned horizontally, with 'O' on the left and 'M' on the right. The background is plain white. A thin red horizontal line is visible near the top of the page, and another is near the bottom. There are also small black corner marks at the top and bottom edges of the page.
